

# *Lights of the South*

## Driving Directions

### Traveling West on Interstate 20

Take exit 183 (Appling/Harlem exit), turn right onto Jake Pollard Hwy (US 221). Take an immediate right onto Natures Way. Natures Way will dead end at Louisville Road. Turn right onto Louisville Road, cross over I-20, and Lights of the South will be immediately on the right.

### Traveling East on Interstate 20

Take exit 183 (Appling/Harlem exit), turn left onto Jake Pollard Highway (US 221). Cross over I-20 and take an immediate right onto Natures Way. Natures Way will dead end at Louisville Road. Turn right onto Louisville Road, cross over I-20, and Lights of the South will be immediately on your right.

### Traveling from the Augusta area north of I-20

Travel west on Columbia Road (toward Appling). Turn left (south) onto Louisville Road. Travel 2.9 miles on Louisville Road. Lights of the South will be on the right immediately after you cross over I-20.

### Traveling from the Augusta area south of I-20

Travel west on Gordon Hwy (US 278). Turn right onto Robinson Avenue (SR-223). This turn is at the BP Station/Convenience Store on the right across the highway from Gate 2 (Fort Gordon). Travel northwest on Robinson Avenue (SR-223) for 5.8 miles. The road will change from Robinson Avenue to Wrightsboro Road. Turn right onto Louisville Road (there is a windmill on the right at the intersection and if you see the Georgia Forest Commission or Euchee Creek Library on your right, you have missed the turn). Travel north for 1.1 miles on Louisville Road and Lights of the South will be on your left right before the I-20 overpass.

### From Grovetown

Travel northwest on Wrightsboro Road (SR-223) starting from the intersection of SR-223 and SR-388/874. Travel 3.5 miles then turn right onto Louisville Road. Travel north on Louisville Road for 1.1 miles and Lights of the South will be on your left right before the I-20 overpass.

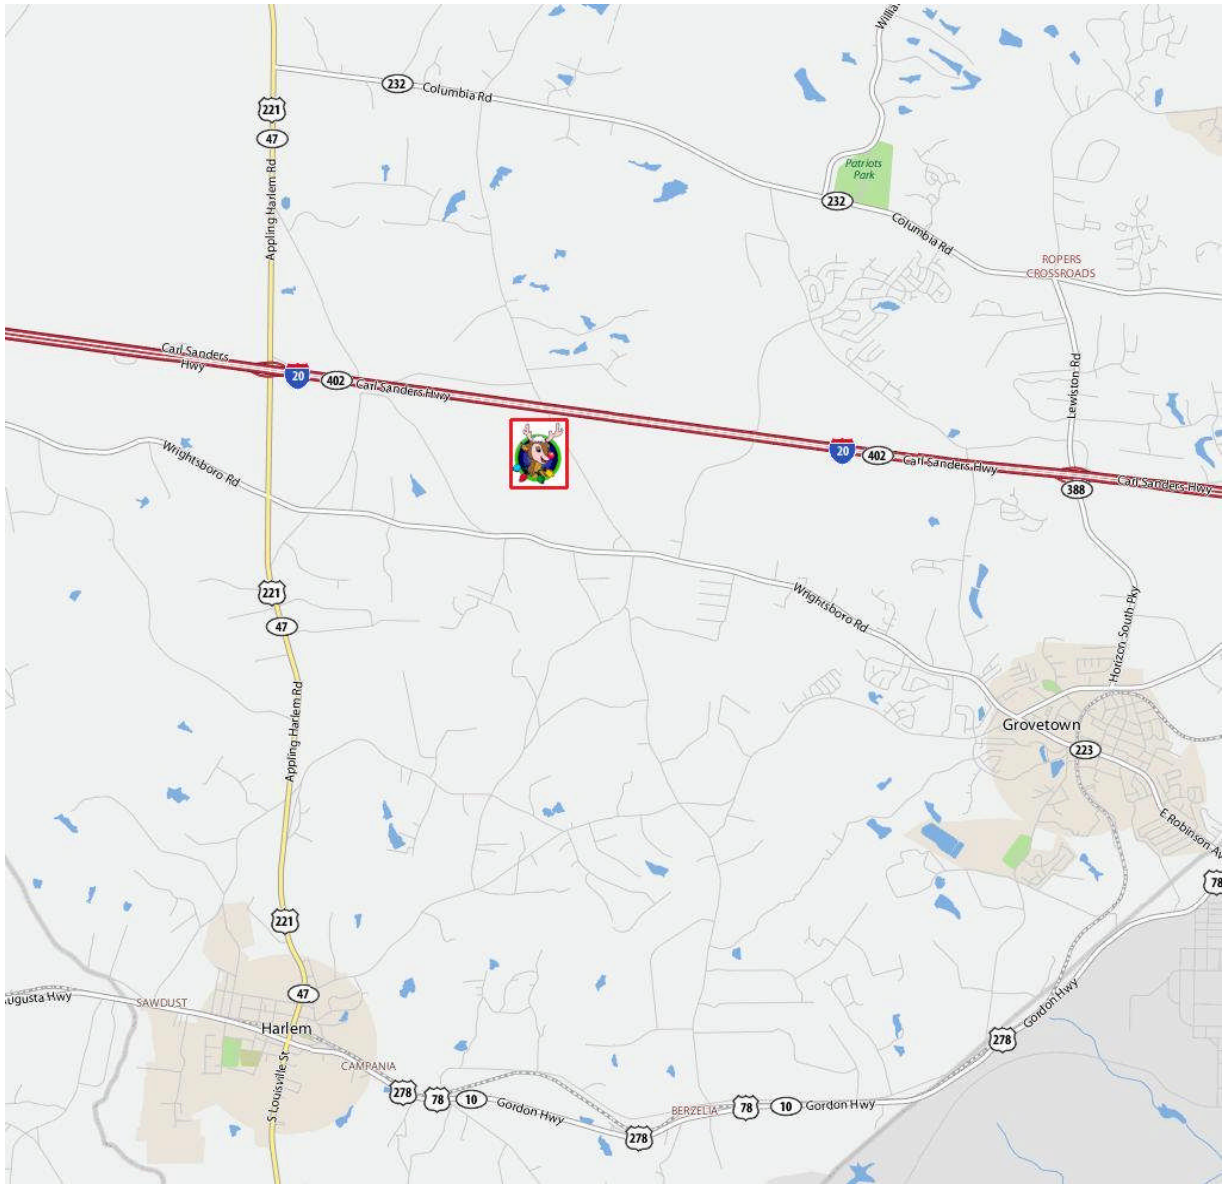

### From the Clarks Hill/Appling area

Travel south on Jake Pollard Highway (US 221). Turn left onto Natures Way. Natures Way will dead end at Louisville Road. Turn right onto Louisville Road, cross over I-20, and Lights of the South will be immediately on your right.

### From Central Georgia

Navigate to US-221 North (north out of Wrens). Then from the intersection of US-221/US-278 in Harlem, travel north on US-221 for 4.7 miles. Turn right (east) onto Wrightsboro Road (SR-223) (at the 4 way stop with a flashing red signal) and travel 3.0 miles. Turn left (north) onto Louisville Road (just past the Euchee Creek Library and Georgia Forest Commission). Travel north 1.1 miles on Louisville Road and Lights of the South will be on your left.
